

SLC NEWS!

SUCCESS LEARNING CENTER

SLC Students Participate in the Apprenticeship Fair

Our students attended the Apprenticeship Fair at the Centinela Valley Unified School District Performing Arts Center. The students talked to vendors who presented information on apprenticeships, opportunities for job skills preparation and internships. We thank Centinela Valley for including our students and staff in this experience.

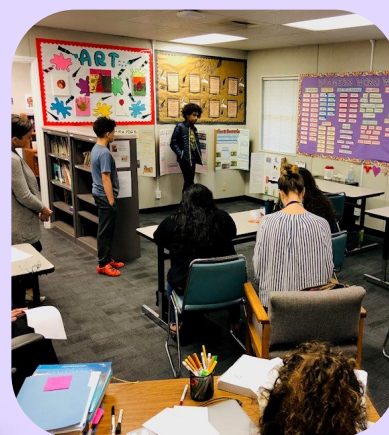

UPCOMING EVENTS

SAVE THE DATE!

SLC SCIENCE FAIR

Tuesday, May 5th, 2020

4:00-6:00 pm

6th Annual Pi Day Celebration!
SAVE THE DATE! March 13th,
2020 (because March 14th is a
Saturday)

Math Deserves Its Own Day... Don't You Think?!

SPECIAL POINTS OF INTEREST

The SLC Students will take a coding class at the Apple Store in February. The class is fun, with immersive curricula to teach problem-solving, and critical thinking skills. This is a repeat visit for our students and the students and staff are looking forward to it!

Community Circles Build Strong Relationships

Once a week, the high school class, teachers, service providers, administrator and teaching assistants are participating in Community Circles is a function of Restorative Practices. The key elements of restorative practices are: Creating an ethos of respect, inclusion, fostering accountability and taking responsibility, committing to relationships, developing impartiality, being non-judgmental, enhancing collaboration, fostering empowerment and emotional expressiveness.

SLC Students are Giving Back for the Holidays!

We wish you
a holiday
filled with joy
and laughter!
